Bill Randall's Experience

President/Owner
CBV Enterprises

January 2010 – Present (3 years 10 months) | Wake Forest, NC

I am a marketing analyst & business consultant. CBV Enterprises analyzes companies in the private sector in areas relating to: Administration, Operations, Sales and Marketing, Systems, Quality, cursory IT applications check, and Profitability. I am pleased to announce that I have a 100% customer satisfaction rating.

Companies evaluated are across a wide spectrum: Retail, Wholesale, Manufacturing, Automotive, Technical, Construction Service, and a myriad of other industries.

My services DO NOT show them expertise in their profession. It would be presumptuous and insulting to iterate what they know best. Rather, I strive to show them how to best apply sound BUSINESS solutions to their companies. The solutions are wide ranging, and dovetail with those in a variety of industries; not just their own. My customers are thrilled with the results, and my M.O. is 100% client satisfaction.

The CBV Enterprises motto is: "Your company does not have to participate in an economic downturn."

Candidate

former candidate, U.S. House of Representatives

Government Agency; 10,001+ employees; Legislative Office industry
 July 2009 – May 2012 (2 years 11 months) | Wake Forest, NC

Bill Randall was the Republican primary winner for NC-13th Congressional District in 2010. He challenged 4-term incumbent Ralph "Brad" Miller in the General Election in 2010. Although he eventually lost, Bill garnered over 92,000 votes district-wide, won 3 of the 7 counties within the district, and had the highest percentage of votes (45%) of any challenger to Miller. Bill then ran for the (redrawn) redistricted Congressional seat in 2012. This primary race was won by a challenger who spent over \$1M. Bill's campaign did not gain enough traction financially, and he finished third (with 22% of the vote). Despite being heavily outspent, Bill won the majority of the precincts in northern Wake County ...where voters knew him best. He also came in first in Granville County, which carried him as top vote-getter in four straight ballots (May 2010, Jun 2010 runoff, Nov 2010 general election, and May 2012 primary). Bill remains involved in the political arena, and continues to work towards helping the most Conservative candidates get into office at the local, state and federal level.

Command Master Chief (E9), USS Leyte Gulf (CG 55)

U.S. Navy
 Government Agency; 10,001+ employees; Military industry
 2000 – 2001 (1 year)

Reference: OPNAVINST 1306.2C, 16 October 1995

The Navy's Command Master Chief (CMC) Program is a valuable asset which stimulates free-flowing communications and ensures the highest standards of professionalism are upheld at all levels within the chain of command.

Command Master Chiefs strengthen the chain of command by keeping the Commanding Officer aware of existing or potential situations as well as procedures and practices which affect the mission, readiness, welfare and morale of the Sailors in the command. CMC's are the senior enlisted leaders who report directly to their respective Commanding Officer. They formulate and implement policies concerning morale, welfare, job satisfaction, discipline, utilization and training of Navy personnel.

By reporting directly to their Commanding Officer, the CMC's keep their chain of command aware and informed of sensitive and current issues.

All commands with 250 or more enlisted manpower will have a CMC assigned by the Bureau of Personnel. All carrier base Air Wing squadrons, deployable Helicopter Antisubmarine Warfare Light, Helicopter Combat Support, and Maritime Patrol squadrons will have CMC requirement regardless of size due to the complexity of their operations.

student

Brother Martin High School (Class of '74)

1970 – 1974 (4 years)

I was an underachiever in high school. I am ashamed to say that I did not take advantage of the excellent academic environment that my parents SACRIFICED to pay for. I went on to have a successful career in the military, and eventually attained graduate-level college. But if I had it to do over again, I would have given my all to have maximized my opportunity in high school.

Bill Randall's Volunteer Experience & Causes

Community Chaplain (Wake Forest, NC)

Living Word Family Church

Social Services

May 2013 – present (6 months)

Information Technology (IT) Certification

Wake Technical Community College | May 2013

Bill Randall's Publications

Examining God's Purposes for Fasting and Prayer

Author House Publishers, 2005 | March 15, 2005

Authors: Bill Randall

What is fasting? How often should I fast? Is there a right and wrong way to fast? Are there physical benefits to fasting? Will fasting and prayer really help me live a life more pleasing to God? Those, and other valid questions are addressed square right here. It is unfortunate that most assume that the subject of fasting and prayer is esoteric (obscure, cryptic, mysterious and restricted to... more
