Bill Randall for Wake Forest Mayor: 2013

MAKE YOUR DONATION ONLINE

Bill Randall knows that the voters of Wake Forest care about their community. That is why Bill's top three priorities for Wake Forest are:

- 1) Keeping Wake Forest clean and safe
- 2) Revitalizing jobs and the local economy
- 3) Helping to ensure that local government is responsive (to citizens), and effective in its actions

In addition to the three above mentioned objectives, Bill Randall stands **squarely with citizens** who currently feel powerless to stop the steady, almost daily erosion of their liberties and freedoms. He passionately believes that the foundation of our nation, so carefully and wisely enshrined in our Constitution and The Bill of Rights, must be **restored, preserved and protected**. He is determined, with your help, to do exactly that.

Bill is not a party partisan politician who brokers secret deals behind smoke filled rooms. Bill Randall recognizes that Wake Forest residents are not Republicans, Democrats or Independents: they are ALL OF THE ABOVE, and their common desire is that government remains: of the People, by the People and for the People.

As Mayor of Wake Forest, Bill will remain **a man of integrity, purpose and dedication** that you will be proud of. Bill will also know what your concerns are. He will engage Wake Forest residents in regular Town Hall meetings, online webinars, a variety of social media, and making his way around the community (businesses, neighborhoods, churches, and social gathering places) to keep in touch with the pulse of Wake Forest.

As a businessman, Bill Randall knows from experience that the **engine of prosperity is free enterprise**, and that free enterprise flourishes and well paid jobs abound when the dead hand of a tax and spend government is not in the way, and when government is not running up debts that weaken our community and imperil our successors. He believes that if a government department or agency cannot demonstrate and deliver real value, it shouldn't be there.

If you think that all of the above makes Bill Randall different, it's because he is. If you think that Bill Randall offers a safe and trusted pair of hands that you can, with confidence, elect as the next Mayor of Wake Forest, it's because he does. No contribution is insignificant, and thank you for your involvement.

Please help elect Bill Randall as the next Mayor of Wake Forest, NC. If you prefer to donate by mail, please send to:
